Questions to Ponder:

These questions are only a sample of the many questions that could be generated from the presentation. Use these questions or create your own questions for your small group.

1. What were your thoughts about relativism before watching the video? How have they changed?
2. Why do you think people, particularly in the 21st century, are drawn to relativism?
3. Why is it important keep your mind open? Why is this a hard thing to do?
4. Relativism prevents people from gaining answers to life's fundamental questions. How do your Catholic views help you come to answer these questions?
5. How does your faith give you hope?
6. Given your previous answer, would this be different if you believed in relativism?
7. Why is it important that our ethics can be tied to something more than just our own morals?
8. What problems could arise if everyone has individualised beliefs?
9. How does being Catholic help you to understand truth and love?
